

Add-a-Twist™
Keeps your gear safe, dry and organized.

**Waterproof, shockproof organizer
for your backpack.**

The ultimate backpack organizer! Strong, tough and versatile for the most demanding adventures. Perfect for gear you need to keep dry, safe and easy to find. The containers lock into each other and can be combined endlessly. Each container has a double sealed lid making it waterproof and airtight.

Available in stores Spring 2016

Background

After research and customer feedback, we identified the need for a packing concept specifically designed to make it super easy to squeeze into backpacks. And, at the same time, be shockproof, waterproof and versatile to keep gear dry, safe and organized.

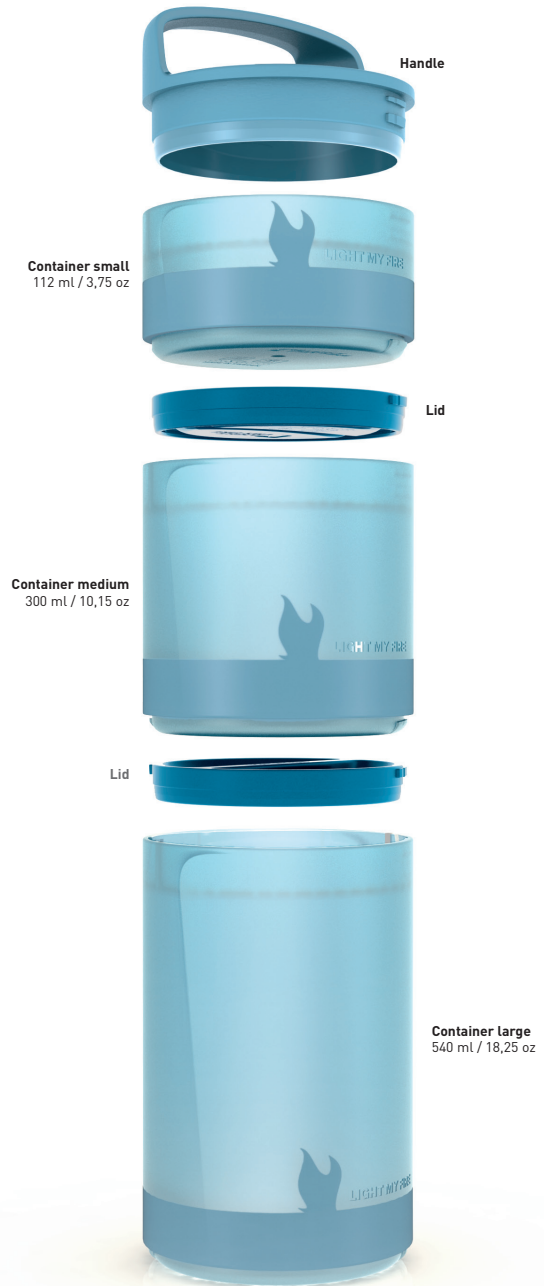

Available in stores Spring 2016

- Versatile and adaptable to your needs
- Easy to pack, hang and carry
- Slips easily into your backpack
- Bayonet lock allows quick and easy access
- Easy to clean
- Floats

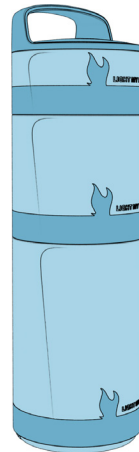

Available in stores Spring 2016

Colors

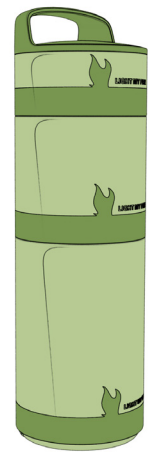

For Add-a-Twist we have created new colors, inspired of the early morning haze in the forest, by the sea, at the mountains. Misty and pale but still so colorful.

Technical properties

1. Different sized containers

Flexible to meet your needs.

Add, remove and rearrange containers with a simple twist.

2. Stacking design

Keeps lids and bottom of containers free from dirt.

3. Bayonet lock

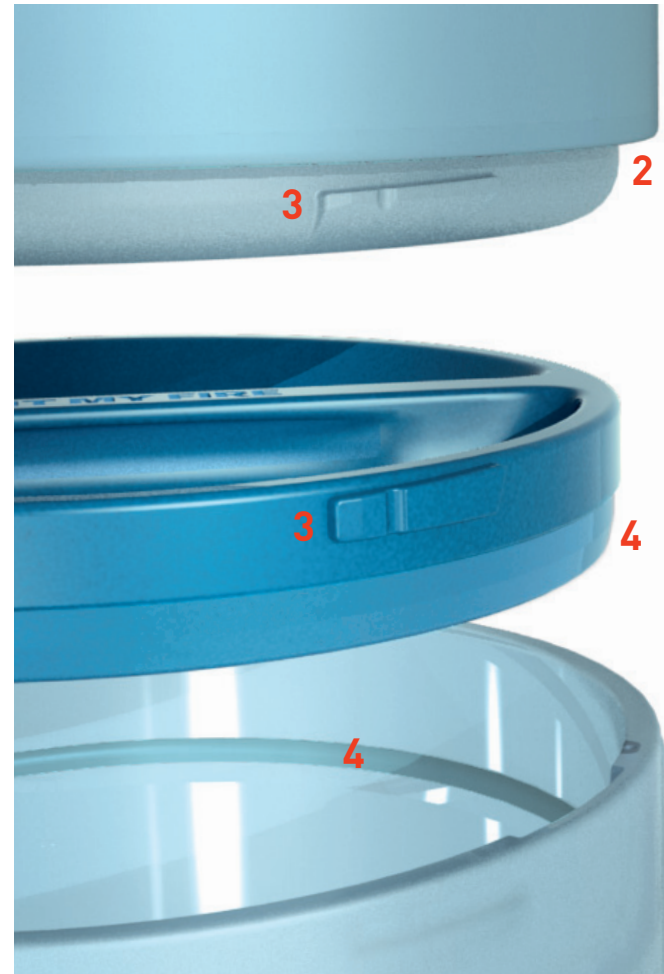

Open and close, quick and handy.

4. Double sealed lid

Waterproof seal keeps gear dry.

5. Shockproof

Sturdy construction and strong material.
